Lagos, Nigeria · Remote | Marvellousolabode@gmail.com | +234 807 189 5503 | LinkedIn | Portfolio

PROFILE

Operations and digital systems specialist with 5+ years of remote experience supporting BNI Alberta South across 18 chapters. Experience in CRM administration, member lifecycle workflows, process automation, reporting, event operations, and executive support. Also builds live website concepts across hospitality, healthcare, and wellness.

PROFESSIONAL EXPERIENCE

BNI Alberta South | Executive Administrative Assistant / Digital Operations Support | Remote, Calgary, Canada | Nov 2021-Present

- Supported visitor, member, and renewal workflows across 18 chapters, maintaining CRM records, follow-up processes, forms, and operational handoffs.
- Supported the transition from Keap to GoHighLevel and maintained member-facing CRM workflows, working with Zapier and Alchemer where appropriate.
- Coordinated recurring chapter and leadership meetings, registrations, Zoom and Eventbrite logistics, and post-event communication.
- Managed member inquiries, access permissions, technical issues, and documentation for regional leaders and chapter teams.
- Supported reporting and QuickBooks reconciliation workflows, helping leaders maintain visibility into recurring administrative and financial tasks.

SELECTED SYSTEMS WORK

Member lifecycle and CRM: Organized pipeline stages and follow-up tasks for visitor, member, and renewal activity; supported forms, automation, and team documentation.

Regional operations: Coordinated calendars, events, inquiries, permissions, and reporting routines across a distributed regional network.
